

Swissôtel Sydney Celebrates National Day Swiss Style

Swissôtel Sydney was elegantly decked out with splashes of red and white as the hotel joined more than 30 other **Swissôtel Hotels and Resorts** worldwide to celebrate Swiss National Day on 1st August. Guests of the CBD luxury lifestyle hotel were especially treated to Lindt chocolates and a special Swiss-inspired cocktail created in celebration of the hotel's unique Swiss heritage. Team members also gathered for an afternoon tea that featured a Swiss cheese platter and the crowd-pleasing Swiss chocolate fountain.

Respected for its quality craftsmanship and rich tradition of Swiss hospitality, Swissôtel Sydney is also offering its highly popular Swiss Fondue until the end of August. Undoubtedly the most famous Swiss dish, the culinary team serves up a warm pot of house-made Swiss cheese or chocolate fondue with accompanying dips.
